About the township of Echuca/Moama:

The Murray Shire is home to 6,500 residents, covers 4,328km² and is almost totally surrounded by the mighty Murray River and its tributaries. The Shire is located on the NSW/ Victorian border and is the closest point of the Murray River to Melbourne, which provides for an area booming with tourism, industry, development and new residents.

The Shire's main township is Moama and together with her Victorian neighbour Echuca, service a community of well over 20,000 people, as well as the massive number of visitors who travel to the area every year. Together Echuca-Moama form a strong regional centre.

About Vic Beach:

VicBeach has become the face of Beach Volleyball in Victoria. The company jointly owned by Greg Jury and Peter 'Chico' Jones was created by the merger of KC Beach Volleyball and the Victorian Beach Volleyball School. Both Greg and 'Chico' were elite athletes during their playing careers as National and FIVB world tour representatives, and also volunteered their time and experience in order to grow and nurture the sport in the Victoria.

Following their outstanding careers and a combined 12 years of event management and administration experience VicBeach was born. The company has three distinct components; Indoor beach volleyball centres at Altona and the head office at Geelong; The Victorian Beach Volleyball School which caters for corporate and social events and; VicBeach Event Management which runs the V-Australia Victorian Beach Volleyball Series and the newly established and elite Virgin Blue Regional Beach Volleyball Series which includes events at Bendigo, Frankston, Geelong and Moama.
