

# First Aid Arrangements

---

ACTIVITY: OUTDOOR BEACH VOLLEYBALL

LOCATION: ALL LOCATIONS

DATE: 12<sup>th</sup> September 2019

VERSION: 2.0

---

Safety is a major concern for us with our events. We go to great lengths to ensure that the beach is safe to play upon. We also work to educate our players with information available on our website, Facebook page and health reminders in our Tech Meetings at the start of events.

However, we cannot always prevent injuries so we will always have a certified Sports trainer at all of our events with his own tent, massage table and access to Ice.

We also have in place a phone kept in the administration area with the phone numbers of the local police and ambulances already programmed in.
